# SUPERHERO ALTER EGO ASSIGNMENT

INSTRUCTIONS:

For this assignment, you will plan and design a superhero alter ego for yourself as a way to introduce yourself to me and anyone in the class who could know you better. Your superhero alter ego will need to be depicted on poster paper which I will provide and which will hang on the wall with your name (both real, and your superhero name). At the bottom of the poster will be a brief paragraph description of how your superhero's abilities and costume represent aspects of your personality.
